Loss Prevention
A loss prevention plays an important role in ensuring the overall protection of company assets, including money, products, merchandise, employees and their property. This position is apart of the security team to prevent theft from taking place, through physical surveillance of the store or with electronic equipment.

Job Duties:
- Assist with reducing loss of inventory, time, and assets.
- Maintain a high degree of integrity, honesty and professionalism in carrying out responsibilities.
- Monitoring video surveillance and responding to incidents.
- Research, assess and supervise the installation of different security measures.
- Report on everything from daily summaries to long-term measurement of risk or liability.
- Strong interpersonal skills when dealing with personnel or customers.
- Ability to deal with a variety of situations and maintain composure.
- Lead internal investigations.
- Apprehend shoplifters.
- Thorough knowledge and skills in record keeping and risk assessment.

Preferred Skills
- Loss Prevention experience.
- A combination of experience demonstrating career progression and/or business or criminal justice related degree.

Work Environment/Physical Demands
- The potential for prolonged standing, walking, squatting and/or bending.

Job Information
- Full-time
- Weekend, evening, holiday work required

About the Company/Benefits
Jungle Jim’s International Market is more than a grocery store, it’s a destination! With more than 200,000 square feet of shopping space in each of our Fairfield and Eastgate stores, there are over 180,000 products from around the world to choose from. In addition to all the grocery items, you’ll find store tours, food demonstrations and lots of fun and attractions for the whole family. Our stores also offer more gift shops, boutiques, restaurants and conveniences than any other mega store in the region. Stop in for an hour or make a day of it. However you do it, shopping at Jungle Jim’s is an experience you won’t forget. In addition to working at a fun
place, our other benefits include great pay, 401K, discount cards, vacation, and opportunity for advancement.
